TRADEMARK

REEL: 005209 FRAME: 0060

TRADEMARK AND DOMAIN NAME ASSIGNMENT

This TRADEMARK AND DOMAIN NAME ASSIGNMENT (this “Assignment”) is made and entered into as of January 29, 2014 (the “Effective Date”) by and between Patch Media Corporation, a Delaware corporation (“Assignor”), and Planck, LLC, a Delaware limited liability company (“Assignee”).

WHEREAS AOL Inc. (“AOL” and, together with AOL, the “Patch Parties”), Assignor, Pascal Holdings, LLC and Assignee entered into that certain Contribution Agreement on December 31, 2013 (the “Contribution Agreement”) whereby the Patch Parties contributed certain assets to Assignee;

WHEREAS, pursuant to the terms of the Contribution Agreement, the parties to the Contribution Agreement desire that Assignor transfer to Assignee the entire right, title and interest in and to the trademarks and domains, and the applications and registrations therefor, set forth on Attachment A (the “Assigned IP”); and

WHEREAS, Assignee wishes to acquire the entire right, title and interest in and to the Assigned IP as successor in interest to the Business (as defined in the Contribution Agreement), and Assignor wishes to assign such right, title and interest in and to such Assigned IP to Assignee.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto, intending legally to be bound, hereby agree as follows:

1. Transfer of Assigned IP. Assignor does hereby grant, bargain, sell, transfer, convey, assign, alienate, release and deliver to Assignee and its successors and assigns, and Assignee does hereby accept, the entire right, title and interest in and to the Assigned IP, together with all associated goodwill, as well as all causes of action and enforcement rights, whether currently pending, filed, or otherwise, for the Assigned IP, including all rights to sue and recover damages, injunctive relief and other remedies for past, current and future infringement of the Assigned IP.

2. Further Assurances. Assignor covenants and agrees that, at any time and from time to time upon the request of Assignee, without further consideration from the Assignee, Assignor shall provide any further necessary documentation and do all further acts reasonably requested by Assignee to confirm and perfect title in and to the Assigned IP in Assignee, its successors and assigns.

3. Entire Agreement. This Assignment, and the Contribution Agreement, reflect the entire understanding of the parties hereto relating to the sale, assignment, transfer, conveyance and delivery of the Assigned IP from Assignor to Assignee, and supersede all prior agreements, understandings or letters of intent between or among the parties hereto regarding such sale, assignment, transfer, conveyance and delivery of the Assigned IP.

4. Successors and Assigns. This Assignment shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns.

5. Governing Law and Venue. This Assignment and all disputes or controversies arising out of or relating to this Assignment shall be governed by, and construed in accordance with, the internal laws of the State of New York, without regard to the laws of any other jurisdiction that might be applied because of the conflicts of laws principles of the State of New York (other than Section 5-1401 of the New York General Obligations Law).

6. Submission to Jurisdiction. Each of the parties irrevocably agrees that any legal action or proceeding arising out of or relating to this Assignment brought by another party or its successors or

assigns shall be brought and determined in any New York State or federal court sitting in the Borough of Manhattan in The City of New York (or, if such court lacks subject matter jurisdiction, in any appropriate New York State or federal court), and each of the parties hereby irrevocably submits to the exclusive jurisdiction of the aforesaid courts for itself and with respect to its property, generally and unconditionally, with regard to any such action or proceeding arising out of or relating to this Assignment and the transactions contemplated hereby. Each of the parties agrees not to commence any action, suit or proceeding relating thereto except in the courts described above in New York, other than actions in any court of competent jurisdiction to enforce any judgment, decree or award rendered by any such court in New York as described herein. Each of the parties further agrees that notice as provided herein shall constitute sufficient service of process and the parties further waive any argument that such service is insufficient. Each of the parties hereby irrevocably and unconditionally waives, and agrees not to assert, by way of motion or as a defense, counterclaim or otherwise, in any action or proceeding arising out of or relating to this Assignment or the transactions contemplated hereby, (a) any claim that it is not personally subject to the jurisdiction of the courts in New York as described herein for any reason, (b) that it or its property is exempt or immune from jurisdiction of any such court or from any legal process commenced in such courts (whether through service of notice, attachment prior to judgment, attachment in aid of execution of judgment, execution of judgment or otherwise) and (c) that (i) the suit, action or proceeding in any such court is brought in an inconvenient forum, (ii) the venue of such suit, action or proceeding is improper or (iii) this Assignment, or the subject matter hereof, may not be enforced in or by such courts.

7. Waiver of Jury Trial. EACH OF THE PARTIES TO THIS ASSIGNMENT HEREBY IRREVOCABLY WAIVES ALL RIGHT TO A TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM ARISING OUT OF OR RELATING TO THIS ASSIGNMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY.

8. Counterparts. This Assignment may be executed in counterparts, all of which shall be considered one and the same instrument and shall become effective when one or more counterparts have been signed by each of the parties and delivered to the other party.

9. Facsimile or .pdf Signature. This Assignment may be executed by facsimile or .pdf signature and a facsimile or .pdf signature shall constitute an original for all purposes.

Remainder of page intentionally left blank

IN WITNESS WHEREOF, Assignor and Assignee have caused this Assignment to be executed by their duly authorized representatives as of the Effective Date.
